

CNA skala 1:100 –

±0.00 = 360.94 m n.p.m.

ELEWACJA ZACHODNIA –
INWENTARYZACJA

Architectural drawing of the west elevation of a building. The drawing shows a gabled roof with a central dormer window. Below the roofline, there are four large, square windows with pediments, and a smaller, arched window above them. The building has a classical facade with columns and a balcony on the right side. A small staircase is visible on the far right. The drawing is a line drawing with some color shading on the windows and roof.

±0.00 = 360.94m n.p.m.

ELEWACJA WSCHODNIA –
INWENTARYZACJA

The drawing shows the east elevation of a building. It features a gabled roof with a central dormer window. On the ground floor, there are three large, arched windows with decorative pediments. A dimension line indicates a height of 360.94m n.p.m. The drawing is a technical line drawing with some color coding for windows and doors.
